ARUSHA CITY TOUR

Details

Day 1

ARUSHA DAY CITY TOUR

Begin your day in Arusha with a relaxed pickup from your hotel and a gentle introduction to the city's atmosphere. Start with a visit to the Arusha Clock Tower, a symbolic midpoint between Cairo and Cape Town, and a great spot to get your bearings and take photos.

Continue to the Arusha Declaration Museum, where you'll learn about Tanzania's political history and the legacy of Julius Nyerere. It gives helpful context about the country's journey and identity.

From there, head into the vibrant Central Market, where daily life unfolds in full color. You'll see fresh produce, spices, textiles, and local street activity—an authentic glimpse into how locals shop and interact.

The tour can then move toward the Cultural Heritage Centre, a unique space combining art, history, gemstones, and handcrafted items. It's one of the best places to explore Tanzanian art and pick up quality souvenirs.

For a more relaxed moment, stop for lunch at a local restaurant or café, enjoying Tanzanian dishes or international options depending on your preference.

In the afternoon, visit the Shanga Workshop, where people with disabilities create beautiful handmade products such as glassware and jewelry. You can watch the process and support a meaningful community project.

Wrap up your tour with a short drive through different neighborhoods, seeing how the city blends modern life with traditional influences, before returning to your hotel in Arusha.

WHAT TO PACK FOR SAFARI IN TANZANIA

It will be hot on most safaris, so carry sun protection and wear light, neutral-colored clothing. These natural colours will help you blend in with the surroundings. Because temperatures might decrease at night, long-sleeved shirts and long pants are essential. Wear a variety of layers that you can remove or add as needed.

Don't over pack because the amount of luggage you can bring on the smaller planes and safari vehicles is limited. In any case, you'll probably only utilize around half of what you brought. It's worth noting that there are some larger grocery stores and pharmacies in Arusha where you can still get a lot of products if necessary.
