ARUSHA NATIONAL PARK DAY TRIP

Details

Day 1

ARUSHA NATIONAL PARK DAY TRIP

Start your day from Arusha with a short drive to Arusha National Park, one of the most scenic and diverse parks in northern Tanzania. After entering the park, the landscape quickly changes into a mix of forests, open savannah, and volcanic terrain with stunning views of Mount Meru.

Begin your experience with a relaxed game drive through the park, where you may encounter giraffes, zebras, buffaloes, warthogs, and different species of antelope. The forested areas are especially known for black-and-white colobus monkeys and a variety of birdlife, making it a great introduction to Tanzania's wildlife in a quieter setting compared to larger parks.

Continue deeper into the park toward the Momella Lakes, where flamingos and waterbirds often gather, creating beautiful reflections against the water and mountain backdrop. The scenery here is ideal for photography and peaceful viewing.

Midday, enjoy a picnic lunch at one of the designated spots inside the park, surrounded by nature and open views of Mount Meru. After lunch, you can continue with a game drive or opt for a short guided walking safari if arranged in advance, which offers a closer and more intimate experience of the bush.

As the afternoon progresses, slowly make your way back through the park, enjoying the changing light and final wildlife sightings before exiting. Drive back to Arusha, arriving in the late afternoon or early evening with a relaxed end to the day.

WHAT TO PACK FOR SAFARI IN TANZANIA

It will be hot on most safaris, so carry sun protection and wear light, neutral-colored clothing. These natural colours will help you blend in with the surroundings. Because temperatures might decrease at night, long-sleeved shirts and long pants are essential. Wear a variety of layers that you can remove or add as needed.

Don't over pack because the amount of luggage you can bring on the smaller planes and safari vehicles is limited. In any case, you'll probably only utilize around half of what you brought. It's worth noting that there are some larger grocery stores and pharmacies in Arusha where you can still get a lot of products if necessary.
