NGORONGORO DAY TRIP

Details

Day 1

NGORONGORO CONSERVATION AREA DAY TRIP

Start your journey early from Arusha, driving through the scenic highlands of Karatu and into the Ngorongoro Conservation Area. The landscape gradually changes from farmland to lush forest as you climb toward the crater rim of Ngorongoro Crater.

Arrive at the rim and pause briefly to take in the breathtaking panoramic view of the crater floor below—one of the most impressive natural sights in Africa. Then begin your descent into the crater, where the road winds down into a vast natural bowl filled with diverse wildlife and open plains.

Once on the crater floor, enjoy a full game drive across different habitats including grasslands, swamps, and small lakes. This area is home to a high concentration of wildlife such as lions, zebras, wildebeest, buffalo, hyenas, and elephants. With some luck, you may also spot the rare black rhino in its protected environment.

Stop at a designated picnic site near a hippo pool for lunch, where you can relax while enjoying the sounds of nature and nearby wildlife activity. After lunch, continue exploring different parts of the crater, including forest edges and open plains, each offering unique sightings and scenery.

In the afternoon, begin your ascent back to the crater rim, taking one last look over this incredible natural wonder. Then drive back through Karatu toward Arusha, arriving in the evening after a full and unforgettable safari experience.

WHAT TO PACK FOR SAFARI IN TANZANIA

It will be hot on most safaris, so carry sun protection and wear light, neutral-colored clothing. These natural colours will help you blend in with the surroundings. Because temperatures might decrease at night, long-sleeved shirts and long pants are essential. Wear a variety of layers that you can remove or add as needed.

Don't over pack because the amount of luggage you can bring on the smaller planes and safari vehicles is limited. In any case, you'll probably only utilize around half of what you brought. It's worth noting that there are some larger grocery stores and pharmacies in Arusha where you can still get a lot of products if necessary.
