Details

Day 1

TARANGIRE NATIONAL PARK DAY TRIP

Start your morning from Arusha with a scenic drive toward Tarangire National Park, passing through rural villages and open landscapes of northern Tanzania. After arriving at the park gate and completing entry formalities, enter the park and immediately begin your game drive.

Tarangire is known for its vast elephant herds and iconic baobab trees, and almost right away you'll start spotting wildlife. The Tarangire River acts as a lifeline for animals, so expect sightings of zebras, giraffes, wildebeest, buffalo, and various antelope species, often gathered near the water sources.

Continue exploring different sections of the park at a relaxed pace, moving through open savannah, woodland areas, and seasonal swamps. The changing scenery makes each part of the drive feel unique, and birdlife is especially rich throughout the park.

Stop at a designated picnic site inside the park for lunch, surrounded by nature and occasional wildlife activity nearby. After lunch, continue with more game viewing, taking time to follow elephant families or watch predators resting under the shade of baobab trees.

In the afternoon, begin your exit from the park and enjoy a final drive through Tarangire's beautiful landscape before heading back toward Arusha. Arrive in the evening, marking the end of a rewarding safari day.
